I used to say I regret nothing in life. Looking back though, I think I may have one regret where I’m not doing this issue with inquir-
early mode on.

I don’t really know how this month’s theme came about. I tend to be honest, like much of this past year, it was a bit of a blur. Life just kinda seems to be moving along as usual while I lie pretending. I don’t have 3 mil-

nary words to write today.

The Toike Oike is a subculture interested in anthropomorphic animal characters with human personalities and traits. Examples of anthropomorphic attributes include exhibiting human intelligence and facial expressions, speaking with hands, wearing clothes, and driving cars. The term “Toike Oike” is also used to refer to the community of people who gather on the internet and in idea meetings.

Dear Concerned Parent,
A CRITICAL ANALYSIS OF ZOOTopia: A CAUTIONARY TAIL, I MEAN TALE, FUCK

Call me a pessimist but I chose to believe that Zootopia is not the product of the animators' dark imaginations. It's not the future we're working toward. It is actively working to ensure this future rather than prevent it from coming to pass. That's what we're mainstream and normalize the sub-culture so we let our guard down.

They put a dummy thicc bunny cop in front of us and expert us. So please don't sue us, Disney. My shoulders are all sorts of big, purple eyes…or her bushy tail…um, where was I?

Right, it's not going to work Dis- troy it! In your efforts to assuage our acceptance, you've only made it more evident what we feared to lose if you let us succeed. That's right. I declare Zootopia a cautionary tail, shit, I mean tale. Fuck! I can't stop thinking about Judy's tail. CURSE YOU, DISNEY.

Let me start by saying that anything to do with Zootopia is not the product of my work. As with all Furry movies, I have no financial or personal connection with the film. We're in no way endorsing the opinions of the author. (And no, I'm not related to any of the Toike family.)

Disclaimer: The following piece is not the product of Toike's reporting. The claims made by the author are unverified and should therefore not be mis- understood as facts. They are presented as opinions, specifi- cally the opinions of the author and not the Toike. Though we have chosen to publish these opinions, we do not endorse them. So please don't sue us, Disney.

Friend, today I present to you INCINDENTLY PROOF that Toike and Anna of Disney's Frozen have engaged in SEXUAL INTERCOURSE OF THE FURRY KIND!

Now, dear reader, you may be wondering what kind of proof right, his name is Adam, and Kristoff is sexually attracted to reindeer, is it not? Or the opposite of a Furry film. A…

First of all, there's the glaringly obvious reference to Risperid on the end of Frozen 2 when Anna tells Kristoff “I prefer you in leather.” Then, of course, there's Kristoff's obvious attraction to reindeer, even Kittenwolf walk by - usually to turn all of our children into your pets. But think on that. Even the end of Frozen 2 when Anna wears a Regalia, and Anna definitely obliged!!

What's up, true believers. I know it's been a couple of months since Disney's Taiki is ex- posing the deep, dark truths of the world, today's theme, Let's go to the bottom of the Google of your choice.

I know, I know. You're probably thinking I'm crazy right now about this. What kind of person would you try to take on one of the biggest companies in the world? I'm probably gonna get the Toike sued. No but will win that lawsuit because they lack the money to prove it false and I know, I know.

Now, without further ado, let's get into the video in plain sight. I'm going to try turning all of our children into animal-loving degenerates, or, as the children say, Furries.

And how is Google doing this, you may ask. Simple. GOOGLE DOCS, GOOGLE SHEETS, AND GOOGLE SLIDES AND ALL THE OTHER GOOGLE APPS.

Technically Lobsters aren't Furrys. Then, of course, there's the end of Frozen 2 when Anna…or her bushy tail…um, where was I?

And Kristoff are engaged in these sorts of Pulp Fiction’s sexual encounters and Kristoff is sexually attracted to reindeer, it is not a stretch to say that Kristoff has 100% asked Anna to dress up as a reindeer and Anna definitely obliged!!

RESULTS

Mostly A: BULL - You seem pretty well-adjusted. Well, for a...you-know. You're stable, dependable and, honestly, a little boring. But, like, in a good way. Congratulations, you're the noble bull, nature's ultimate giver!

Mostly B: TURTLE - You look out for yourself. If you don't, who will, right? You keep your walls up because you've been hurt too many times. Maybe one day, you'll find someone to bring you out of your shell. Congratulations, you're the invincible turtle, God's perfect sex-machine!

Mostly C: LION - You're a rebel. No one can tell you what to do. Some people may describe you as aggressive but, in your defense, they probably had it coming. Congratulations, you're the regal lion, a true apex predator!

Mostly D: BEAR - Most of the time, you like to keep to yourself. But, when you find the right people, there's nothing you won't do for them. Congratulations, you're the mighty bear, ruler of the forest!

Mostly E: GOAT - You're a little tough to get to know. Your natural bluntness sometimes rubs people the wrong way. No matter how weird or rough around the edges people say you are, you have to stay true to yourself. Congratulations, you're the daring goat, master of the mountains!

Mostly F: MAYBE TRY THE SCALY CONVENTIONS - You're a bit of an outsider, and that's okay! You just have to find people who are like you. People who understand you. And your sexual attraction to fish.

Catherine the Great

Hey boys, I'm not like other girls. I'm a horse girl. But I'm not like other horse girls either. Other girls wear high heels and dresses. I wear sneakers and jeans, unless I'm with my horse, in which case I wear nothing at all. Other girls ride bikes. I ride horses.

Other girls hunt for sales in the mall. I hunt ineffective rulers for my good of my country.

Other girls have sex with men, women and/or gender non-conforming individuals. I have sex with horses.

I'm not like other girls, I'm a horse girl.

Other girls start drama with their friends to get clout. I start wars with entire countries to ex-

pand the Russian Empire.

SWALLOW

Alright, this is gonna be the most one-sided PCP in the history of this fine publica-

tion. Nobody swallows because swallowing is gross and unnecessary. Besides, it is usu-

ally happening right before bed and who wants to do that to their stomach right before bed?

Are you insane??!! Your dentist must seriously hate you.

Are YOU kidding? You know how bad it is to swallow toothpaste?

I see your point but…it's just so tasty. Once it goes in mouth, sometimes I just have trouble forcing myself to spit it out.

I didn't know we were talking about toothpaste.

I'm not like other girls, I'm a horse girl.

Secondly, Winnie comes with built in imagery that gets the motor going. How many times have you seen Winnie "stuck in a hole"? I don't know about you, but the thought of Winnie having Piglet or Tigger come pull him off - I mean out - gives me serious, "what are you doing step-brother?" porno vibes.

Thus concludes this article. If you have a problem with the argu-

ments or imagery brought up, you can go fuck a beehive, prob-
ably with a grizzly bear very nearby, you prude.
